

OUR MISSION

To create long-lasting and measurable changes that improve lives and build strong communities throughout Palm Beach County by ensuring everyone has access to the building blocks for a good quality of life: education, health and financial stability.

We envision a world where all individuals and families achieve their full potential.

Since 1945, the Town of Palm Beach United Way has raised over \$129 million to help those in Palm Beach County who need it the most.

OUR VISION

HOW DONOR DOLLARS LEAD TO CHANGE

1. IT STARTS WITH YOU

You are a hand raiser who wants to make a difference in your community.

You give to the Town of Palm Beach United Way and your donation is amplified through the collective giving power of individuals, employees and corporations.

2. COLLECTIVE GIVING

3. COMMUNITY PARTNERS

We work with local partners to identify community needs and focus funds where they are needed most.

Local nonprofits apply for grants in 14 health and human service program areas.

4. GRANT APPLICATIONS

5. ALLOCATION VOLUNTEERS

Community volunteers review applications, participate in interviews and agency site visits, and meet with team members to make funding recommendations to the Board of Trustees.

Upon board approval, the Town of Palm Beach United Way awards program grants to agencies and distributes funding on a monthly basis from July through June.

6. PROGRAM FUNDING

7. OUTCOME REPORTING

We monitor, measure and report the progress of our partner agencies annually to our donors, volunteers and the community.

Because of YOU, we help individuals and families reach their full potential and leave a lasting impact on Palm Beach County.

8. LASTING IMPACT

CAMPAIGN RESULTS

The annual campaign began on July 1, 2021 and ran through June 30, 2022. Thousands of donations were collected from individuals, families, employees, companies and organizations. The majority of funds raised are distributed to Town of Palm Beach United Way nonprofit partner agencies. A portion of funds received are earmarked for annual collection drives, special funds, such as Ukraine, emergency grants and donor designated gifts.

The 2021-2022 campaign would not have been a success without the leadership and dedication of our amazing committee volunteers. This year, 109 volunteers helped raise the funds necessary to support our community.

ALLOCATION COMMITTEE

The allocation process is the cornerstone of the Town of Palm Beach United Way. Allocation Committee volunteers serve as the eyes and ears of thousands of donors. These committed volunteers spend three months and countless hours examining community needs and agency programs. They analyze key financial information, visit partner agencies, meet with agency staff and board members, and ultimately make funding recommendations to the Town of Palm Beach United Way Board of Trustees.

The allocation process ensures fiscal and program accountability for all agencies receiving Town of Palm Beach United Way funds. During the process, volunteers challenge each agency's effectiveness at providing services, review the need for those services in Palm Beach County, and analyze the impact of United Way funding in meeting those needs.

SUCCESS STORIES

MEET ARTISHA

Artisha, 18, attended the Boys & Girls Clubs of Palm Beach County for 12 years. She recently graduated from William T. Dwyer High School and plans to attend the University of North Florida this Fall with the help of a scholarship she received from the Boys & Girls Clubs. She wants to be a veterinarian.

Artisha described herself as shy and closed off when she first started attending afterschool programming at the club. She said the club helped her express herself, open up, interact with others, and feel a part of something bigger. She now has the confidence, drive and determination to chase her dreams.

"If I was never in the Boys and Girls Club my life would be totally different. It was like my second home. It kept me away from the bad things that are out there. And it provided opportunities for me that I couldn't have gotten anywhere else."

Scan the box to hear more about Artisha's story and how your donations make a difference for children at the Boys & Girls Clubs.

MEET MICHAEL

Michael, 16, is a student at Royal Palm High School. Michael has Osteogenesis imperfecta (Brittle Bone Disease). He is unable to walk and has difficulty using his left arm. When Michael was 9, his parents found support at Clinics Can Help.

The agency provided several pieces of medical equipment, including manual and powered wheelchairs.

Without free medical equipment from Clinics Can Help, Michael said life would be extremely difficult for both him and his family. Access to proper medical equipment increases Michael's mobility and allows him to live a normal life.

Scan the box to hear more about Michael's story and how your donations make a difference for clients at Clinics Can Help.

MEET MEGHAN

Meghan is a mother of three small children living in Palm Beach County. Her husband lost his job during the pandemic and the family could not afford to purchase food.

Then Meghan heard about a CROS Ministries food pantry. She started receiving groceries from the pantry until her husband found work. She said the pantry helped her family keep food on the table during a very difficult time.

"It's good that this is available for people in need. There are a lot of people out here struggling and we can all use help sometimes."
