Part IV, line 1b:

In connection with its Public Guardianship Program (PGP) and its legal practice, the Society maintains designated cash funds that are held in separate accounts for the benefits of wards and clients.

Part X, Line 2:

The Society is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Society's tax-exempt purpose would be subject to taxation as unrelated business income. There were no such unrelated activities for the year ended September 30, 2022.

Part XIII Supplemental Information (continued)

The Society follows FASB ASC 740-10, Accounting for Uncertainty in Income Taxes. This pronouncement seeks to reduce the diversity in practice associated with certain aspects of measurement and recognition in accounting for income taxes. It prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position that an entity takes or expects to take in a tax return. An entity may only recognize or continue to recognize tax positions that meet a "more likely than not" threshold. The Society assesses its income tax positions based on management's evaluation of the facts, circumstances and information available at the reporting date. The Society uses the prescribed more likely than not threshold when making its assessment. For the year ended September 30, 2022, the Society did not accrue any interest expense or penalties related to its tax positions. Furthermore, there are currently no open Federal or State tax years under audit.
